

CLEARBROOK

Sport Water Filter Bottle

High Flow Municipal Water Filter for Everyday Life

Drink Fearlessly!

The 22oz. Clearbrook Sport comes with a Nalgene Bottle and a Clearbrook Sport Filter that removes up to 99.9% of chlorine, taste & odor, as well as lead and other heavy metals.

Unpleasant Tastes and Odors: Metallic, Chemical, Medicinal.

Heavy Metals: Aluminum, Cadmium, Chromium, Copper, Lead, and Mercury, as well as radiologicals such as Radon 222.

Clearbrook Sport Filters maintain bacteriostasis and prevent mitosis or colonization of microbes within the filter, so you don't have to worry about mold or mildew.

Long Lasting Filter

600 refills (100 gallons) for the removal of Chlorine, Bad Taste and Odors, as well as lead and other heavy metals.

Nalgene Bottle

The translucent blue bottle by Nalgene is:

- BPA-free
- Durable and Impact Resistant
- Odor Resistant
- Dishwasher safe (top rack)

Easy to Use

Simply remove the cap and replaceable filter, fill the bottle with water, put back the filter and cap tightly, and sip or squeeze the bottle. Do not use with saltwater.

Uses

Clearbrook Sport Water Filter Bottle can be used anywhere you have access to a trusted municipal water source.

- Home • Office • School
- Exercising • Sporting Events
