## 5K DC Sink Filters

FOR HOMES WITH CITY WATER

5,000 Gallon "Direct Connect" Bathroom Sink Filter

*Drink & Wash Fearlessly!*

Clearbrook 5K Sink Filter treats your bathroom sink water so you and your family can be safe and enjoy clean water for drinking, brushing your teeth, or washing your hands and face.

**Healthier Skin** – Removes the chlorine that dries your skin

**Safe for Drinking** – Removes contaminants so you can 'drink fearlessly'

### Clean, Safe Water

Clearbrook Undercounter Bathroom Sink Filter is made from a multi-blend of catalysts that remove the contaminants commonly found in municipal water so you can drink safely and utilize your local water source as intended.

- Tastes & Odors
- Chlorine and other Volatile Organic Compounds
- Lead and Heavy Metals

### Easy to Install & Maintenance Free

The Clearbrook 5K Undercounter Bathroom Sink Filter fits neatly in your bathroom sink cabinet.. It comes with easy-to-understand installation instructions and everything you need to install. Installation only takes minutes using Clearbrook's "Direct Connect" system. Clear-

### Lasts for a Minimum of 3 Years!

Unlike ordinary filters, which only last for months, Clearbrook Sink Filters will last for a minimum of 3 years. Clearbrook can manufacture filters that only last 3 to 6 months but there is little value in shortening the lifetime of filters. Clearbrook wants you to install it and forget about it. Go do something else with your time and hard earned. Install it and forget about it...Clearbrook Sink Filter lasts for 3 long years.
